To all Parents/Carers

As you may be aware many children are enjoying playing with spinners at the moment. Unfortunately some children have been bringing them out in class during learning and saying that they are fiddle toys to help with their concentration, they are not. Some Headteachers have banned these spinners as they are interfering with learning and causing a range of problems on the playground.

I do not want to ban spinners as many children are playing appropriately with them on the playground. However, from Monday, if children have spinners in the classroom they will be confiscated and the child will need to collect them from their class teacher at the end of the day. In addition if the spinner is causing problems outside on the playground it will also be confiscated.

I hope that in this way children who play with them appropriately can enjoy them and we can ensure that they will not be a distraction to learning either in class or on the playground.

Thank you for your support with this.

Regards

J Cook
Headteacher
