Dear Parents/Carers,

### Tapestry

As we are coming in to the summer term and transitions for next year are starting, we would like to give you the opportunity to download your child's Tapestry learning journey with all of their photographs and observations from this school year.

We are asking parents/carers who would like a copy of their child's Tapestry learning journey to bring in a USB Flash Drive (1GB will be plenty of storage) or a blank CD with your child's name on. From 10<sup>th</sup> July we will upload the Tapestry learning journey to your device to ensure you have the whole of your child's school year and give them back out for you to keep!

As a reminder, when you signed up to Tapestry you agreed not to share any images on social media from your child's Tapestry learning journey. Please keep this in mind when you receive your child's learning journey!
