Road Crossing Safety

21st September 2017

Dear Parent / Carers

We have unfortunately received a complaint from a nearby resident who is extremely concerned at the families that she sees crossing the roads unsafely with their children.

As a school we take the safety of all of our children and their families extremely seriously and therefore are sending this letter out to all of our families to highlight the concern.

We do understand that the school run can sometimes be frantic and the number of cars in our nearby streets is increasing but we would like all of our families to ensure that they are setting the best example to their children when it comes to crossing the road safely.

Please ensure that you do not walk straight into the road with your children expecting the traffic to stop for you. Wherever possible, please use a pelican crossing, crossing patrol or quieter road to cross the road. It is important that as your children get older and become more independent on their school journeys that they have learnt to cross roads safely.

If you have any questions or need any guidance with regards to road safety please do not hesitate to get in touch with us.

Kind regards

Mrs J Cook
Headteacher
