

Tuck shop June 2016

Tuck shop is going really well and seems to be very popular across years 3-6. Kacper, Chantelle and Darren are doing a great job with the finances. They sort the float, count the money, balance the accounts and organise for money to be banked. Ms Dixon, Darren and Liam are managing the stock taking successfully. Liam and Jamie are becoming more confident when ringing in orders.

Michael and Chloe have been working on publicity and general opinion by supporting children to fill in evaluations of tuck shop. All KS2 adults have received an evaluation form about tuck shop.

We had a poster competition! We asked the children across Key Stage 2 to create a bright, informative poster advertising our tuck shop. Eleanor and Eben chose 1 winner from each year group and they received their prizes in assembly. The winning posters will be copied, laminated and displayed around school and on the school website.

“I felt really good and proud because I got to sell people healthy snacks to people. I loved having the responsibility of taking money and giving change.”

Kevin (Year 5)

“I like how the stock is varied and we can try different snacks. The cola raisins are yummy!”

James (Year 6)

“I like that there is a lot of choice and they are quite cheap.”

Michael (Year 6)
