

Paston Ridings Primary School

Pupil Premium Grant (PPG) 2013-14 - Report for Parents

PPG School Context:	
Total Number of Pupils on Roll	492
Number of pupils eligible for PPG	240
PPG funding received per pupil	£900
Total PPG Funding	£219,137

Summary of PPG Spending 2013-14
<p>Aims and objectives for PPG spending: To fund a series of initiatives and resources in order to improve the progress of pupils working below age expected levels, particularly those on FSM. Through the targeted use of PP money it is anticipated that the gap between vulnerable groups and the national average will be narrowed for the pupils at Paston Ridings.</p>

Family Support Service	£8480	To support families where the children have potential barriers to learning to reduce these barriers
TOTAL	£219,137	

Impact of PPG Spending

Paston Ridings Primary School has seen many benefits of the Pupil Premium across the vast range of initiatives planned for 2013-14.

In particular the Reading Recovery Programme has ensured accelerated progress for those children accessing it: There has been significant improvement in the phonic screening test result 2014. Increase of 27%pts from 42% 2013 – 69% 2014. 8 children accessed the reading recovery programme. 88% of these pupils made accelerated progress. 3 children were involved in the initial phase of phonics counts, all children made accelerated progress in reading.

Accelerated reader continues to benefit 260 pupils. Achievement in reading has been accelerated with 39% of Y6 pupils making more than expected progress. 47% of Y6 pupils achieved L5 in the 2014 SATs.

KS1

The 2013 to 2014 attainment gap to National at the end of KS1 for pupils eligible for the pupil premium has been narrowed by:

- 1.5 points – reading
- 2.1 points – writing
- 1.5 points - maths

KS2:

The 2013 to 2014 attainment gap to National at the end of KS2 for core pupils eligible for the pupil premium has been narrowed by:

- 1.3 points – reading
- 0.5 points – writing
- 0.9 points - maths

Equal Opportunities is always key priority at Paston Ridings. Support is given to ensure that all pupils have full access to broad educational experiences, for example, day visits, residential experiences and enrichment activities within school, thereby ensuring positive engagement with learning for all pupils.

Valuable emotional support has been provided for many pupils who are extremely vulnerable. Behaviour support from Learning Mentors has positively reintegrated specific children back into the mainstream setting, impacting positively on pupil engagement.

Leadership decisions to deploy support staff specific to need has benefitted children across the school, improving engagement with both children and parents and therefore reducing barriers to learning. The decision to open an additional class in year 6 to improve learning outcomes and accelerate progress was successful with pupils achieving outstanding progress in 2013-14 internal data.

Family Support has been highly effective, with a large number of families benefitting from focussed 1:1 sessions, supporting a range of issues including managing behaviour of children, housing issues, engagement with school or other agencies. The Webster Stratton programme has been run twice and engagement and feedback from families have been good.
